NARRATIVE:

Anthony Ochoa has an extensive adult criminal history that began at the age of 25. His convictions include 1st degree murder, 1st degree robbery, attempted robbery, assault with a firearm, firearm access violation, disorderly conduct and multiple cases of possession of controlled substances. He has served multiple state prison terms, the longest being a 20 year term for 1st degree murder. Ochoa was released from state prison to the supervision of the Los Angeles County Probation Department on July 31, 2020. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in August 2020 after he absconded from post release community supervision (PRCS). Ochoa qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for a firearm access violation is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
